

# AICAD Librarians Collaborated on a MOOC – What's next?

Tony White  
Director of Decker Library  
Maryland Institute College of Art

---

- ~~So why an Information Literacy MOOC?~~
- ~~Why not!~~
- What next...

# Proof of Concept

---

- Sustainability
- One touch, all students
- Blended instruction (MOOC + classroom)
- Distance education
- Expanded librarian/faculty collaboration
- Embedded librarians in curriculum development (train the trainers; faculty)

## Possibilities

---

- Librarians
- Faculty
- Department Chairs
- Associate Deans
- Deans/Provosts

# Evolving Partnerships

---

- Badges
- Certificates
- Grading
- Pass/Fail
- Required no credit
- Embedded in course development

# Assessment Opportunities & Challenges

---

- Expand AICAD collaborators/partners?
- Other modules
- Assessment
- Map to core competencies
- Reorient to the NEW ACRL IL standards
- Abandon the MOOC for local solutions, but leverage inter-institutional collaborations

# Next Steps

---

- Beyond MOOCs for AICAD students
- Let's expand the conversation...
- What other options exist?

# Questions

---
